1

[illegible]

A cross-sectional view of a mechanical assembly. A curved component 3 is positioned on the left, with a dashed line indicating its internal structure. A vertical line 48 passes through the center of the assembly. A horizontal line 49 is located near the top. A hatched region 41 is on the right, with a curved line 47 inside it. A horizontal line 45 is at the top, and a horizontal line 46a is at the bottom. A vertical line 2 is on the right side of the hatched region.
